...every visit is a party!!!

WELCOME

Please allow me to introduce ourselves to you.

I am Anouk Gielen.

I have been working in the hospitality industry since I was 15 years old.

This adventure started in various cafes / bars / discotheques and after that I worked different restaurants, which finally resulted in a nice snackbar with restaurant of my own.

During this time I met Wim Snickers and it turned out that we liked each other very much.

Wim was De Pannekoekenbakker in Brüggen in Germany and he baked with great pleasure tasty pancakes for both German and many Dutch guests. (De Pannekoekenbakker is a franchise pancake restaurant which now counts dozens of restaurants.)

Soon we decided that we would like to continue together and we bundled our strengths at De Pannekoekenbakker in Brüggen. Here we have had more than 15 years of "pancake baking experience".

After a while we had the wish to bake pancakes on Dutch territory, preferably in the south of Limburg.

So here we are, after a long search, at the beginning of the Cauberg in the historic Valkenburg.

WE ARE DELIGHTED WITH YOUR VISIT TODAY AND WE HOPE THAT WE CAN MEET ALL YOUR WISHES.

Do you have special dietary needs or allergies?

All our pancakes can be baked lactose-free, milk-free, gluten-free and/or vegan. For this we have to do charge an additional cost of 1 euro per pancake.

Furthermore, for people who can not eat as much or are less hungry it is possible to order a pancake in a smaller size, this means that it is 15% smaller and the price is of course also 15% cheaper.
